**Handicap List as approved by the Handicap Commission and the SPA in October 2017 and revised as of April 16, 2018**

**All foreign players who want to play an official tournament in Switzerland need to sign a registration form of the SPA and will receive a temporary handicap and license to play in Switzerland; the Handicap Commission will grant a final handicap for Switzerland to such player after he has played or at the end of the season. All foreign sponsored players who are not handicapped in Switzerland are required to play with a minimum handicap of +2 in Swiss tournaments**
